COME AND SING WITH US!

WHY JOIN?

1. ENJOYMENT OF SINGING WITH NEW FRIENDS

Come and forge new friendships with other adults like you who LOVE to sing!

2. CULTURALLY RELEVANT MUSIC AND TEACHING

Sabathani Vintage Voices is a multicultural ensemble that sings music of all styles, including spirituals, gospel, Motown, R&B, folk songs, classical works and contemporary works by African American composers.

3. MUSICAL SKILL-BUILDING AND LEARNING

Practice healthy singing techniques while learning or brushing up your musical skills! Singers receive large-print lyric sheets, sheet music, and learn music through aural/oral tradition. No matter your learning style, we've got you covered!
